

Call for Workshops Proposals

The 16th IEEE International Conference on Advanced and Trusted Computing
(IEEE ATC-19)

August 19th-23rd 2019, Leicester, UK

Website: <http://www.smart-world.org/2019/atc>

The IEEE ATC 2019 Organization Committee invites proposals for half and full-day workshops affiliated with the conference. The main objective of the workshops is to provide a forum for researchers and professionals to discuss a specific topic in the field of advanced and trusted computing and its related areas. The workshop papers will be included in the main conference proceedings and published by IEEE CPS, which is collected by IEEE Explore and indexed by EI.

Workshop Proposal Format

Each workshop proposal (maximum 5 pages) must include (please follow the following order in your proposal):

- Title of the workshop
- Workshop Organizers (names, affiliation and contact information), limiting up to 2 workshop chairs for half-day workshop and 3 workshop chairs for full-day workshop
- Scope and topics of the workshop (max 1 page)
- Rationale (max 1 page)
 - ◆ Why is the topic current and important?
 - ◆ Why the workshop may attract a significant number of submissions of good quality?
 - ◆ Why the workshop may attract a large number of attendees, in addition to the authors?
 - ◆ Why the workshop differs from others; i.e., related workshops and conferences of similar topic?
- A short biography of the organizers (up to 200 words)
- Names of potential participants, such as program committee members and invited speakers (indication that speakers accepted to participate is a plus)
- Planned format of the workshop, including
 - ◆ Duration of the workshop: Half-day, Full-day and tentative schedule
 - ◆ Preferred day of workshop
 - ◆ Number of refereed papers
 - ◆ Unique, creative and novel workshop formats are strongly encouraged
- Draft Call for Papers (max 1 page)
- A description of the publicity and promotion plan
- If appropriate, a description of past versions of the workshop, including the number of submitted and accepted papers, number of attendees, etc. is welcome to receive. If a similar workshop has been organized at recent ATC/SmartWorld/UIC/ScalCom/IoP/SCI, please state whether your proposed workshop is similar or different.
