

IEEE ATC 2019: Call for Demos and Posters

The 16th IEEE International Conference on Advanced and Trusted Computing
(IEEE ATC-19)

August 19th-23rd 2019, Leicester, UK

Website: <http://www.smart-world.org/2019/atc>

CALL FOR DEMOS and POSTERS

Technical demonstrations, innovative and original research posters are both solicited. In general, IEEE ATC is interested with those technical demonstrations and posters that validate important research issues or showcase realistic applications in the following topics (but not limited to):

- High Performance Computing and Networking
- Service Computing and Engineering
- Cloud Computing, Fog Computing and Edge Computing
- Software Defined Networks and Systems
- Green Computing and Communications
- Mobile and Wearable Computing
- Vehicular Networks and Systems
- IoT/IoE Technologies and Applications
- Big Data Analytics and Technologies
- Advanced Cognitive Computing and Machine Learning
- Advanced Virtual/Augmented Reality (VR/AR)
- Advanced Affective Computing and Robotics
- Adaptive and Intelligent Systems
- Trust Specifications, Models, Management, and Standards
- Trust, Security, and Privacy in Smart Systems
- Blockchain Technology and Applications
- Cyber Life, Society and Intelligence
- Cyber Physical Systems and Their Safety
- Cyber Trust, Security, Privacy and Ethics

DEMO and POSTER SUBMISSION INSTRUCTIONS

Submissions should be a two-page abstract/proposal that follows the IEEE formatting guidelines: [refer to the IEEE submission instructions for details](#). It should be specific enough in describing what you will demonstrate or display. In the submission, please specify clearly whether you will be presenting a poster, a demo, or both. For demos, providing a web link to a 90-second video is recommended. The Abstracts of accepted demos/posters will be included in the IEEE ATC 2019 Proceedings.

Submission website: the same as main conference paper submission site.

IMPORTANT DATES

Two-page demo (or poster) descriptions/proposal: April 19, 2019

Notification of acceptance: May 4, 2019

Camera-ready submission: May 19, 2019

CONTACTS

IEEE ATC 2019 Demo/Poster Chair:

Yulong Fu, Xidian University, China (ylfu@xidian.edu.cn)
